

## **GAR Masters Membership Information**

Rowing is a lifelong sport. The GAR Masters program provides both recreational and competitive rowing opportunity for adults in the Gainesville area. We are a growing group with a broad mix of ages and abilities. We enjoy organized rows six to seven days each week, year around. Members have the benefit of a talented and dedicated staff of coaches.

For those who have not yet experienced the fun, challenge and benefits of rowing, GAR Masters will help you begin by offering three Learn To Row classes each year, featuring lots of time on the water. The Learn To Row classes are held in the Fall, Winter and late Spring. For experienced rowers, even those who have been away from the sport for a time, the coaches will work with you to help you quickly re-establish your stroke during our scheduled rows.

### **Regular Membership (Ages 22 and up)**

#### **Dues and Costs**

Dues are \$105 per calendar quarter (pro-rated to monthly for new members joining mid-quarter). For additional immediate family members, Family Plan dues are \$54 per quarter.

Club dues include:

- Use of club boats, equipment and facilities
- Boat storage
- Race entry fees
- Most race boat transportation

#### **Coaching Fees**

In order to keep our dues as low as possible and accommodate our members who are not able to row frequently our coaching fees are handled separately.

There is a per session fee of \$10 or you can pre-pay \$65 for an unlimited number of sessions during a calendar month.

### **Associate Membership (For rowers 18-21 years of age and no longer eligible for high school teams)**

#### **Dues and Costs**

\$200 per calendar year (\$100 if joining during fall season)  
For GAR Alumni - \$50 per calendar year

Associate Member dues include:

- Use of club boats, equipment and facilities during regular scheduled sessions

#### **Coaching Fees**

There is a per session fee of \$10 or you can pre-pay \$65 for an unlimited number of sessions during a calendar month.
