

Welcome To Rowing

Our program:

We are a club team for high school students from all schools in Gainesville and surrounding areas. Our program offers competition with other rowing clubs from around the state of Florida as well as around the nation! Many of our rowers continue to row in college and some have earned college scholarships!

Our coaches:

Please contact the novice coach that is coaching your child if you have any questions. The term novice applies to any rower who is new to the sport.

Novice Men: Jen Figueroa (352) 219-0717
murphymurphy@hotmail.com

Kyle Croft (352) 284-3570
k.croft@me.com

Novice Women: Julianne Parker (305) 799-1802
j.parker@ufl.edu

Practice schedule:

Our rowers practice Monday, Tuesday, Thursday, and Friday from 3:30-6:00 and Saturday from 8-10am. Most of our rowers form carpools from school. Our practice schedule follows the school year so we have a fall season and a spring season. Most rowers row both seasons, however we are happy to share a rower with another sport as well!

Racing:

Novice rowers will race several times a season. These races are against other teams from around the state. It is hard work but lots of fun! We race in Jacksonville, Sarasota, and Tennessee.

Cost:

The cost of our program is \$115.00 per season. This includes coaching and racing fees. A uniform, and travel expenses are also included. Dues are electronically billed once a month. They can be paid online using a credit card or by check. New rowers can try out for free without any obligation.

Monthly Booster Meetings:

There are voluntary informational meetings every month. The meeting schedule is on our website.
