Clemente Center at F.I.T.
150 W. University Blvd.
Melbourne, Florida 32901

Driving time is about 3 hours.

Tips for this race site

You will pay several **tolls** on your way through Orlando to Melbourne. If you plan on attending many of the Orlando/Melbourne regattas, you may want to get a SunPass.

There is plenty of **parking** around the Clemente Center.

This is an **indoor** regatta. There are bleachers, but having a **chair** can be more comfortable.

There is limited **food** at the site. There are many options on U.S. 192, however. Be sure to note what is available as you drive in to the Clemente Center.
